

Marist High School has existed for over 60 years and continues to strive to expand programs and offerings to the students they serve. We hope that you will take this opportunity to support our students and assist Marist in its continued efforts to provide a quality education to students from Hudson and Essex Counties. Though we are a private institution, every year we provide scholarships to over 40% of the students that attend. We are able to do this through private partnerships and donations. We are having a **Tricky Tray on March 23, 2019** to raise money for the students and are asking if you can help.

It is the mission of Marist High School to be committed to excellence and to provide a values-based college preparatory education that challenges an academically diverse student body. In order to fulfill this mission and provide services to our students and families, we rely on the generosity of individuals, businesses, and foundations for support. Without the assistance from community-minded individuals like you, Marist wouldn't be able to serve those "most in need" in our community each year. Our graduation rate of 100% ensures the children who attend will have an advantage in life. We need your support in order to not turn any qualified child away simply because their families cannot afford to enroll them.

We ask that you make a commitment to support Marist's Tricky Tray by becoming a sponsor today. The Marist Parent Association's goal is to raise \$30,000, and we hope that you will be able to help us reach that goal by becoming a sponsor or vendor.

As the Marist Parent Association President, you have my assurance that all the monies we raise are used to give the children who cannot afford to attend a chance to attend our school and given all the advantages that entails. Any tax-deductible donation that you can make would make a difference at Marist. *Tax ID: 22-1554980*  
For your convenience, we have identified sponsorship and vendor levels below. You may also sponsor a basket or table by advertising in our event program. Our past Tricky Tray attracted over 250 attendees.
