By our signatures below we acknowledge that we have read, are aware of, and agree to be governed by all of the policies and procedures contained in the 2019–2020 Student-Parent Handbook.

As a parent or legal guardian, I fully agree to and understand my financial obligations to Marist High School as set forth in this handbook. I understand that it is my sole responsibility to pay all tuition, book fees, technology fees, workbook fees and incidental fees, and that I have no expectation that Marist High School will reduce or subsidize any charge or fee for me. I acknowledge that the school itself is not required to offer me any reduction or financial aid. Students with past due tuition can be required to leave the school until their accounts are paid in full. Students with any remaining financial obligations during the summer cannot return to school for the new term in the fall until all obligations from the previous school year are completely paid. I also understand that the school will withhold all transcripts, report cards, yearbooks and diplomas for students with any unpaid financial obligations, and that students with unpaid financial obligations cannot attend school functions, including the prom. I hold Marist High School free of any liability for any negative effect these actions may have upon my child. I recognize that as a private Catholic school, Marist has a legal right to withhold such items until my account is completely paid. By my signature, I am also requesting the loan of textbooks from the Department of Education.

While these signatures do not necessarily mean agreement with all school policies, they do indicate acceptance that failure to comply with any of the requirements in this handbook will result in disciplinary action including demerits, suspension, forced withdrawal and expulsion according to formal procedures.

**Technology Use Contract**

In addition to the policies set forth in this Agenda Book, I have also read the Acceptable Policy set forth in Section 6 of this Handbook as well as the following:

**Student Contract**

I have read the Acceptable Use Policy for use of technology resources at Marist High School found in the Agenda Book. I understand and will abide by the stated terms. I further understand that violation of the regulations is unethical, a violation of school rules, and may even constitute a criminal offense. Should I commit any violation, I understand that any access privileges may be revoked and school disciplinary action may be taken. Appropriate legal action may also result. My signature below validates this contract while I am a student of Marist High School.

**Parent/Guardian Contract**

As the parent/guardian of this student, I have read the Acceptable Use Policy for the use of technology resources at Marist High School. I understand that the school has taken appropriate precautions to eliminate controversial material. However, I also recognize it is impossible for Marist High School and system administrators to restrict access to all controversial materials, and I will not hold them responsible for materials acquired through the network. Further, I accept full responsibility for supervision if and when the student uses the computer outside of the school setting.
